Profile

I have a strong interest in web development, exploring both front-end and back-end technologies to build efficient and scalable solutions. My interests also extend to IoT, circuit design, and VLSI, where I work on integrating software and hardware for innovative applications. With a problem-solving approach and a focus on continuous learning, I strive to contribute to meaningful technological advancements.

Education

RMK College of engineering and technology

2022 – 2026 | Gummidipoondi, Tamilnadu

- Bachelor of Engineering in Electronics and Communication Engineering
- Focus Area: Internet of Things (IoT)
- CGPA : 7.85

Elite matriculation Hr . Sec. School

2021 – 2022 | Ponneri, Tamilnadu

- SCORE : 87.5%

Don Bosco Matriculation Hr. Sec. School

2019 – 2020 | Thiruvallur, Tamilnadu

- Score: 75%

Projects

1. Dual-Axis Solar tracker, *Hardware*

- Science day Event - RMK college of engineering and technology
- Secured First place(Eco dirt club)

2. Workspace, *Software*

- Intradepartmental Cooding club - RMK college of engineering and technology
- Secured First place

Skills

- Programming Languages: C, C++, Python, Java, JavaScript, HTML, CSS
- Frameworks & Libraries: Express.js, Bootstrap
- Tools & Software: VS Code, KiCad, Arduino

Professional Experience

NSIC VLSI Design Internship

- I completed a VLSI Design internship at NSIC, gaining hands-on experience in ModelSim simulation. During this time, I enhanced my coding skills and technical expertise in VLSI design.

Eazy things Technology IoT intership

- Gained hands-on experience in sensors, actuators, and circuit design at Eazy Thing Pvt. Ltd., developing IoT projects like a fridge door alarm and a mini oscilloscope using KiCad.
- Acquired proficiency in tools such as Arduino, Thony, KiCad, and ThingsBoard for designing and testing IoT solutions.

Certificates

Introduction to Internet of things-NPTEL

By Dr. Sudip Misra | Basics in Iot

Programming in Java-NPTEL

By Prof. Debasis Samanta | Enhancing Knowledge in Java

Web-development bootcamp

By Dr. Angela yu | Specialization in PERN stack.
